18. COMMENTS
Due to increased material cost and declining demand, the HiRel Products Group of International Rectifier has decided to discontinue the manufacture of the following Power Operational Amplifiers. Along with this notification of "End Of Life", HiRel is announcing that pricing for this product has been adjusted accordingly. Customers in need of this product will be given the opportunity to place end of life orders through December 31, 2006 with delivery terminating no later than June 30, 2007. Reference Table I herein for affected parts list.

IR HiRel will continue to offer a wide range discrete power devices, regulators, power modules and dc/dc converters that will meet the needs of our Military/Defense and space customers.

If you have any further questions or would like assistance in choosing a replacement part please contact your local manufacturer's representative of contact HiRel Service at (978) 534-5776.
